REPORT OF SCHOOL BOARD.

The school board for 1892 report as follows:

GRAMMAR SCHOOL.

This school has been under the charge of Miss Annie W. Cofran during the entire year. First and second terms, 12 weeks; third term, 11 weeks; number of scholars, spring and summer terms, 19; winter term, 21. Miss Cofran secured a position in Manchester and the board very reluctantly consented to allow her to close the term one week before the others. Miss Cofran has done good work and we feel that her departure is a positive loss to the school.

PRIMARY SCHOOL.

Miss Mary T. Sargent of Plymouth began the school, but was obliged to give it up at the middle of the term on account of ill health. Miss Myra Johnson completed the term. The summer and winter terms were taught by Miss Ardelle J. Buzzell of Rumney Depot, a graduate of the Plymouth Normal school, and a very faithful and efficient teacher. The school has made marked progress under her instruction. Whole number of pupils, 20 each term.

RURAL SCHOOL.

Miss Stella R. Merrill, of Deerfield, has taught this school the entire year, giving general satisfaction to the parents and school board. Whole number of pupils, first term, 20; second term, 19; third term, 13. It will be notice that the terms have been of uniform length, 12 weeks each, giving more schooling than in previous years.
